You're Invited to Decorate

November 26 – December 1, 2019

Stoney Creek Hotel & Conference Center Rothschild, WI

We welcome your participation in the 23rd year of the Festival of Trees. It's a special event where generosity, volunteerism, goodwill and joy unite to help support a good cause.

Creative designer entries are the foundation of the Festival of Trees and are a big part of bringing the Festival to life each year. Your decorated item will be on display from November 26–December 1 for the progressive silent auction. Your investment in the piece and its decorations are your donation to the Festival of Trees.

Select a Tree Size or Specialty Item

All trees must be artificial, new and should not exceed 8 feet (tree height includes the stand). Trees will be provided unless otherwise indicated. Limited quantities available. Wreaths, centerpieces, door swag, mantel decorations, unique furniture, table settings, etc., all must be made of artificial materials.

Ornaments and Lights

Decorations and lights must be wired to the tree securely using florist wire or twist ties as they will be transported with decorations. We discourage glass ornaments. Please make sure your tree is bolted together, stable and secure. Include a tree skirt, covering or decorative base.

Decorating/Item Drop Off

Sunday, November 24, 9am-6pm Monday, November 25, 8am-1pm

Two complimentary admission tickets to the Festival of Trees will be given for each decorated item.

Your support helps people in our community during their end-of-life journey. The Festival of Trees event raises important funding that helps provide high-quality end-of-life care for people in our community and supports two community bedrooms at the Aspirus Hospice House for people who otherwise could not afford to stay in the Hospice House.
