

Aspirus Health Foundation

Small Grant Guidelines

- The Aspirus Health Foundation wants to support your health related project! Our small grants provide just enough funding to bring your health idea to life or to provide just a little extra funding for a project you've established. Small grants are awarded up to \$500 and are accepted by the following dates: April 4, 2017, July 5, 2017, October 3, 2017, and January 3, 2018.

The Aspirus Health Foundation's Mission and Vision are:

- The Aspirus Health Foundation develops critical resources necessary to advance the health of our communities and increase health services in the region.
- We are the leader in developing community partnerships to advance the health of people in north central Wisconsin and the Upper Peninsula of Michigan.

What does the Aspirus Health Foundation Support?

The Aspirus Health Foundation funds projects that align with our mission and vision. Projects that are typically given priority include:

- Community-based health, wellness, and safety activities and educational programs.
- Initiatives focused on improving nutrition and increased physical activity among children at high risk for obesity, especially among minority populations and children living in low-income communities.
- Adequate and appropriate nutrition assistance to our most vulnerable community members such as the elderly and children to ensure healthy food is available.
- Community-based assessments that help our communities understand and address identified needs.
- Programs and scholarships for to train our future health care workforce.
- Other health projects that align with our mission, population health initiatives, or community priorities.

What Doesn't the Aspirus Health Foundation Fund?

We do not award grants to organizations that discriminate on the basis of race, color, religion, sex, national origin, citizenship status, age, disability, sexual orientation, or veteran status. Generally, the Foundation does not make grants to or for the following:

- Individuals
- Programs that require membership in a certain religion or advance a particular religious faith (faith-based organizations may be eligible for funding if they welcome all members of the community regardless of religious belief)
- For-profit organizations or programs operated by, or for the benefit of, for-profit organizations
- Debt retirement
- Annual fund drives
